Vida Chorus Table

Vida Chorus Table, powder coated in striking orange

PRODUCT FEATURES

- High strength fabricated steel construction
- Supplied fully assembled
- Hot Dip Galvanised
- Finished in any standard powder coat colour

DIMENSIONS

- Length 1814 mm Depth 914mm Height 716mm

BODY SPECIFICATIONS

Body

- Hardwood Timber Battens

Frame

- Mild Steel
- Hot Dip Galvanised
- Plastic 'feet' to avoid surface damage

Fixing

- ☐ Free Standing (FS)

Care & Maintenance Suggestions

Our products are constructed using a variety of different materials, all of which are highly corrosion resistant. Despite this, some care is required to maintain their good looks. The extent to which cleaning is required will depend on a number of factors including environmental conditions, construction activity and level of use.

MAINTAINING THE METAL SURFACES

To maintain the original appearance of the metal, it should be cleaned regularly using warm soapy water.

Galvanised Steel: If the galvanised coating is significantly penetrated, a zinc rich primer should be applied to the damaged area to maintain its corrosion resistance.

MAINTAINING THE PAINTED OR POWDER COATED SURFACES

Clean regularly with warm soapy water. Should the paint become chipped or scratched, it can be touched up using an acrylic based paint.

MAINTAINING THE TIMBER

Dirt can be removed using mild detergents. If the timber is left untreated, over time it will gradually change to a silvery grey colour. The timber will remain structurally sound without further maintenance.
